- The presenting author of the abstract must be registered for the meeting.

ABSTRACT CATEGORIES

The following presentation type possibilities are available. Please note that the choice made while submitting the abstract is not necessary the final presentation type. The final choice will be made by the programme committee and communicated after 1 February 2018.

Oral presentation

Oral sessions provide an opportunity for several speakers to present their findings/papers in a formal setting as part of the parallel symposia. Symposia consist of 3 presentations of 25 minutes and 1 oral abstract presentation of 15 minutes, all including Q&A. These sessions are put together by the programme committee from the top rated abstracts.

Poster presentation

Most of the accepted abstracts are presented in poster sessions. The paper posters are displayed in the poster area of the congress. The poster presenter is requested to be at her/his poster during the presentation time.

The oral session and poster session guidelines will be published at the conference website in short time.

Please do not forget to register for ISHAM 2018. Your abstract will only be published after registration and receipt of your payment before 1 April 2018.
