Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 1	P001	Characteristics and dynamics of azole-resistant <i>Aspergillus fumigatus</i> variants emerging over a 28-year period in the Netherlands	Antifungals and Antimycotics resistance	Yinggai	Song	Netherlands	Yinggai Song
Poster session 1	P002	Antifungal activity of antimicrobial synthetic peptides against <i>Candida</i> species of public health importance	Antifungals and Antimycotics resistance	Julian E.	Muñoz	Colombia	Richar Torres
Poster session 1	P003	synthetic antifungal peptide mimic kills <i>Candida albicans</i> by targeting protein glycosylation and synergistically prevents infection	Antifungals and Antimycotics resistance	Sebastian	Schaefer	Australia	Sebastian Schaefer
Poster session 1	P004	Neglected risk for of invasive candidiasis: Study of distribution, species differentiation and antifungal susceptibility pattern of Candidemia among patients with liver disease	Antifungals and Antimycotics resistance	Mohd	Ayyub	India	Pratibha Kale
Poster session 1	P005	Competitive fitness and trade-offs associated with azole resistance in <i>Candida auris</i> clinical isolates	Antifungals and Antimycotics resistance	Sourav	Das	India	Sourav Das
Poster session 1	P006	Resistance of <i>Aspergillus flavus</i> clinical isolates and associated fitness-cost	Antifungals and Antimycotics resistance	Elie	Djenontin	France	Elie Djenontin
Poster session 1	P007	Fumaric reductase analogue regulates sensitivity of pyrvinium pamoate and voriconazole against <i>Exophiala Dermatitis</i>	Antifungals and Antimycotics resistance	Lujuan	Gao	China	Lujuan Gao
Poster session 1	P008	Molecular mechanisms associated with fluconazole resistance and genetic diversity in clinical <i>Candida krusei</i> isolates from North India	Antifungals and Antimycotics resistance	KUSUM	Jain	India	KUSUM Jain
Poster session 1	P009	Investigation of in vitro antifungal susceptibility testing and genetic diversity of clinical isolates of <i>Trichophyton benhamiae</i> and <i>Trichophyton eriotrephon</i> in Iran	Antifungals and Antimycotics resistance	Hasti	Kamali Sarvestani	Iran	Hasti Kamali Sarvestani
Poster session 1	P010	Evaluation of antifungal efficacy of two novel cyclic lipopeptides of the class Bacillomycin from <i>Bacillus subtilis</i> RLID 12.1 in a murine model of invasive candidiasis	Antifungals and Antimycotics resistance	Nisha	Kashyap	India	Nisha Kashyap
Poster session 1	P011	Antifungal Lock Therapy	Antifungals and Antimycotics resistance	Vidyullata	Koparkar	India	Vidyullata Koparkar
Poster session 1	P012	Antibiofilm activity of staphylococcal peptide derivative(s) against <i>Candida auris</i> biofilms in vitro and in an animal model of catheter-associated infection	Antifungals and Antimycotics resistance	Anjna	Kumari	India	Anjna Kumari
Poster session 1	P013	Green synthesis of Silver Nanoparticles using <i>Trillium govanianum</i> and its antifungal potential against <i>Candida auris</i>	Antifungals and Antimycotics resistance	Preeti	Negi	India	Preeti Negi
Poster session 1	P014	Prevalence and antifungal susceptibility of <i>Wickerhamomyces anomalus</i> in a tertiary care center	Antifungals and Antimycotics resistance	Abhishek	Pandey	India	Abhishek Pandey
Poster session 1	P015	A study to demonstrate heteroresistance and tolerance to azoles in <i>Candida tropicalis</i>	Antifungals and Antimycotics resistance	Snigdha	Reddy	India	Snigdha Reddy
Poster session 1	P016	Selected Trans Himalayan Medicinal Plants and their Nano-particles Express Potent Antifungal and Antibiofilm Activity Against <i>Candida auris</i> and <i>Candida glabrata</i>	Antifungals and Antimycotics resistance	Mohammad	Riyaz	India	Mohammad Riyaz
Poster session 1	P017	Echinocandin resistance mechanism in <i>Candida tropicalis</i> and <i>Candida glabrata</i> .	Antifungals and Antimycotics resistance	Dipti	Sharma	India	Dipti Sharma
Poster session 1	P018	Susceptibility profile of <i>Candida albicans</i> causing bloodstream infections against azole anti-fungals over 5 years: a prospective observational study.	Antifungals and Antimycotics resistance	Megha	Sharma	India	Megha Sharma
Poster session 1	P019	A 5-year study on prevalence and molecular determinants of fluconazole -resistance in <i>C. parapsilosis</i> spp. complex	Antifungals and Antimycotics resistance	Vrinda	Sharma	India	Vrinda Sharma
Poster session 1	P020	Risk factors, speciation and antifungal susceptibility in candidemia patients: An observational study	Antifungals and Antimycotics resistance	Prateek	Shujanya	India	Prateek Shujanya
Poster session 1	P021	Comparative transcriptomic analysis of environmental <i>Candida auris</i> showing variable azole susceptibility	Antifungals and Antimycotics resistance	Ashutosh	Singh	India	Kusum Jain
Poster session 1	P022	Luliconazole - a novel potent imidazole activity against <i>Aspergillus niger</i> and <i>Aspergillus flavus</i> causing otomycosis	Antifungals and Antimycotics resistance	Bavadharani	Sukumar	India	Bavadharani Sukumar
Poster session 1	P023	Evaluation of Beta-D-glucan assay as a tool for antifungal stewardship at a hospital in Mumbai, India	Antifungals and Antimycotics resistance	Pooja	Thakkar	India	Pooja Thakkar
Poster session 1	P024	Genetic determinants of antifungal drug resistance in <i>Fusarium solani</i> species complex.	Antifungals and Antimycotics resistance	Pinal	Trivedi	India	Pinal Trivedi
Poster session 1	P025	A study on candiduria in neonates and infants from a tertiary care center, North India.	Antifungals and Antimycotics resistance	Renu	Yadav	India	Renu Yadav
Poster session 1	P026	Antifungal Activity of a Novel Triazole and Comparators against a Large Collection of Identified <i>Aspergillus</i> Isolates	Antifungals and Antimycotics resistance	Kiana	Abbasi	Iran	Kiana Abbasi
Poster session 1	P027	Early warning bells: Emergence of Fluconazole resistance in <i>Candida parapsilosis</i>	Antifungals and Antimycotics resistance	Preeti	Ajapuje	india	Preeti Ajapuje
Poster session 1	P029	Synergic effect of deferoxamine combined with fluconazole against fluconazole-resistant <i>Candida</i> Spp. through inhibited Cek1 MAPK signaling pathway	Antifungals and Antimycotics resistance	Lulu	An	China	Lulu An
Poster session 1	P030	Highly slow-release antifungal wound dressing for chronic dermatophytosis	Antifungals and Antimycotics resistance	Farnoush	Asghari-paskiabi	Iran	Farnoush Asghari-paskiabi
Poster session 1	P032	Efficacy of Novel Azole Compounds (ATTAF-1 and ATTAF-2) against <i>Candida albicans</i> in a Murine Model of Invasive Candidiasis	Antifungals and Antimycotics resistance	Hamid	Badali	United States	Hamid Badali
Poster session 1	P033	Genomic epidemiology of the antifungal-resistant dermatophytosis epidemic, India, 2017-2019	Antifungals and Antimycotics resistance	Ujwal	Bagal	United States	Tom Chiller

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 1	P034	Non-conventional alternatives to prevent Candida auris infections	Antifungals and Antimycotics resistance	Andra-Cristina	Bostanaru	Romania	Andra-Cristina Bostanaru
Poster session 1	P036	Epidemiology and antifungal susceptibility profile of infections caused by Fusarium species	Antifungals and Antimycotics resistance	Malini R	Capoor	India	Malini R Capoor
Poster session 1	P037	Study of magnitude and risk factors in patients with candidemia at a tertiary care hospital with speciation and antifungal susceptibility of pathogenic Candida isolates.	Antifungals and Antimycotics resistance	Bhavana	Chauhan	India	Bhavana Chauhan
Poster session 1	P039	Cross-resistance to clinical and agricultural azoles among Aspergillus fumigatus strains isolated from humans and environment in Italy	Antifungals and Antimycotics resistance	Massimo	Cogliati	Italy	Massimo Cogliati
Poster session 1	P041	Preliminary evaluation of gradient concentration strips for detection of terbinafine resistance in Trichophyton spp.	Antifungals and Antimycotics resistance	Eric	Dannaoui	France	Eric Dannaoui
Poster session 1	P042	IDENTIFICATION, CLINICAL PROFILE, ANTIFUNGAL SUSCEPTIBILITY PATTERN OF CANDIDA AURIS FROM A TERTIARY CARE CENTER IN INDIA	Antifungals and Antimycotics resistance	Mary Kiran	Danni	India	Mary Kiran Danni
Poster session 1	P043	AMPHOTERICIN B IN PEDIATRICS: ANALYSIS BY AGE STRATIFICATION SUGGESTS A GREATER CHANCE OF ADVERSE EVENTS FROM THIRTEEN-MONTH OF AGE ONWARDS	Antifungals and Antimycotics resistance	Francelise	Bridi Cavassin	Brazil	Francelise Bridi Cavassin
Poster session 1	P044	Demonstration of the yeasticidal efficacy of povidone-iodine-based commercial antiseptic solutions against Candida auris	Antifungals and Antimycotics resistance	Guillaume	Desoubeaux	France	Guillaume Desoubeaux
Poster session 1	P045	The association of performance of air pollutants on candida drug resistance	Antifungals and Antimycotics resistance	Sahar	Ghazanfari	Iran	Sahar Ghazanfari
Poster session 1	P046	Local adaptation to antifungal compounds in the model organism Neurospora crassa	Antifungals and Antimycotics resistance	A. Pedro	Gonçalves	Taiwan	A. Pedro Gonçalves
Poster session 1	P047	Comparative Evaluation of Disc Diffusion and E-test with Broth Micro-dilution in Susceptibility testing of Amphotericin B, Posaconazole, Isavuconazole, Itraconazole against Rhizopus isolates of post COVID Mucormycosis	Antifungals and Antimycotics resistance	Prashant	Gupta	India	Prashant Gupta
Poster session 1	P048	Antifungal susceptibility and mechanism of azole resistance in Candida albicans clinical isolates from oropharyngeal candidiasis patients in Iran	Antifungals and Antimycotics resistance	Zahra	Jahanshiri	Iran	Zahra Jahanshiri
Poster session 1	P049	Candidemia: Isolate Profiling and Antifungal Susceptibility testing experience from Jodhpur, Western India	Antifungals and Antimycotics resistance	Vidhi	Jain	India	Vidhi Jain
Poster session 1	P050	Candida auris and non-auris candidemia in adult patients in a tertiary care set-up, New Delhi, India	Antifungals and Antimycotics resistance	Priyanka	Jangra	India	Priyanka Jangra
Poster session 1	P051	A case of recalcitrant sporotrichosis by infection of Sporothrix globosa	Antifungals and Antimycotics resistance	Eunhye	Jeong	South Korea	Jongsoo Choi
Poster session 1	P053	INVASIVE MUCORMYCOSIS (ZYGOMYCOSIS) -PRE-COVID ERA AND COVID ERA: A RETROSPECTIVE STUDY AT A TERTIARY CARE CENTRE, CHENNAI	Antifungals and Antimycotics resistance	Malavika	K	India	Malavika K
Poster session 1	P055	Antifungal resistance of clinical Candida albicans isolates in Iran: A systematic review and meta-analysis	Antifungals and Antimycotics resistance	Firoozeh	Kermani	Iran	Firoozeh Kermani
Poster session 1	P056	Oral Ibrexafungerp Outcomes by Fungal Disease in Patients from an Interim Analysis of a Phase 3 Open-label Study (FURI)	Antifungals and Antimycotics resistance	Thomas	King	United States	Juergen Prattes
Poster session 1	P057	All-Cause Mortality in Patients with Invasive Candidiasis or Candidemia from an Interim Analysis of a Phase 3 Open-label Study (FURI)	Antifungals and Antimycotics resistance	Thomas	King	United States	Juergen Prattes
Poster session 1	P059	The overexpression of efflux pump gene cdr1B resulting in voriconazole- and isavuconazole- resistance in Aspergillus fumigatus recovered from a patient with chronic pulmonary aspergillosis in China	Antifungals and Antimycotics resistance	Tianyu	Liang	中国	Tianyu Liang
Poster session 1	P060	A preliminary in vitro and in vivo evaluation of the effect and action mechanism of 17-AAG combined with azoles against azole-resistant Candida spp.	Antifungals and Antimycotics resistance	Luyao	Liu	China	Luyao Liu
Poster session 1	P062	Identification of Octenidine (dihydrochloride) inhibiting fungal filamentation by the repurposing approach	Antifungals and Antimycotics resistance	Hui	Lu	China	Ting Fang
Poster session 1	P063	Research on antifungal activity of a new azoles compound, YZJT-1903	Antifungals and Antimycotics resistance	Hui	Lu	China	Shuo Zhu
Poster session 1	P066	Candidemia in a tertiary care hospital: Epidemiology, speciation and antifungal susceptibility pattern	Antifungals and Antimycotics resistance	Rashmi	M	India	Rashmi M
Poster session 1	P067	Cumulative hospital antibiogram of AIIMS Bhopal for Candida species	Antifungals and Antimycotics resistance	Aneesh sethu	Madhavan	India	Aneesh sethu Madhavan
Poster session 1	P068	Inhibition of Candida glabrata Biofilm using the Combination of a Novel Antifungal Cyclic Lipopeptide and Azole: An in vitro Synergistic Approach	Antifungals and Antimycotics resistance	Madduri	madhuri	India	Madduri Madhuri
Poster session 1	P069	Caspian Sea Mycobiome: the variety and abundance of medically important fungi in beach sand and water	Antifungals and Antimycotics resistance	Maryam	Moazeni	Iran	Maryam Moazeni
Poster session 1	P070	Antimicrobial peptides from the Coleoptera family Scarabaeidae against Candida and Cryptococcus pathogenic yeasts.	Antifungals and Antimycotics resistance	Julian E.	Muñoz	Colombia	Julian E. Muñoz
Poster session 1	P071	ISOLATE PROFILING AND ANTIFUNGAL SUSCEPTIBILITY DETERMINATION FOR TERBINAFINE AND ITRACONAZOLE AMONG DERMATOPHYTES IN A TERTIARY CARE HOSPITAL OF WESTERN RAJASTHAN	Antifungals and Antimycotics resistance	Tejashree	Nare	India	Tejashree Nare
Poster session 1	P075	Initial results of an international effort in screening new agents against Candida auris	Antifungals and Antimycotics resistance	Vanice	Poester	Brazil	Vanice Poester
Poster session 1	P076	The Promising Antimycotic Activities of a Novel Cyclic Antifungal Lipopeptide against Human Dermatophyte Isolates.	Antifungals and Antimycotics resistance	Swetha	Ramesh	India	Swetha Ramesh

20-24 September 2022

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 1	P077	Detection of CYP51A mutations in airborne Aspergillus spp isolates from Intrahospital environments	Antifungals and Antimycotics resistance	Alvaro Leon	Rua	Colombia	Alvaro Leon Rua
Poster session 1	P078	Baseline antifungal usage patterns and knowledge regarding management of invasive fungal infections as a part of a multidisciplinary antifungal stewardship (AFS) program.	Antifungals and Antimycotics resistance	Janya	Sachdev	India	Janya Sachdev
Poster session 1	P079	Virulence factors and azole-resistant mechanism of Candida tropicalis isolated from candidemia	Antifungals and Antimycotics resistance	Elahe	Sasani Sarvestani	Iran	Elahe Sasani Sarvestani
Poster session 1	P081	Azole-resistant Aspergillus fumigatus among NIH hospitalized patients with underlying primary immunodeficiencies	Antifungals and Antimycotics resistance	Amir	Seyedmousavi	United States	Amir Seyedmousavi
Poster session 1	P083	Susceptibility pattern of fungal isolated from patients with otomycosis	Antifungals and Antimycotics resistance	Tahereh	Shokohi	Iran	Behrad Roohi
Poster session 1	P084	Trichosporonosis Awakening : Molecular and antifungal susceptibility study on Trichosporonosis in North India and How antifungal stewardship can contribute in control.	Antifungals and Antimycotics resistance	Vikramjeet	Singh	India	Vikramjeet Singh
Poster session 1	P085	Prevalence and Antifungal Susceptibility of Candida spp. from the sputum sample of patients in a Tertiary Care Hospital in Sikkim.	Antifungals and Antimycotics resistance	Sunu Hangma	Subba	India	Sunu Hangma Subba
Poster session 1	P086	Clinical outcome and in vitro antifungal susceptibility of clinical isolates of rhino-orbito-cerebral mycosis associated with post COVID 19 from North India	Antifungals and Antimycotics resistance	Juhi	Taneja	India	Juhi Taneja
Poster session 1	P087	A CLINICOMYCOLOGICAL STUDY OF DERMATOPHYTE INFECTION INCLUDING ANTIFUNGAL SUSCEPTIBILITY TESTING IN PATIENTS ATTENDING A TERTIARY CARE HOSPITAL IN NORTH-WESTERN STATE OF RAJASTHAN	Antifungals and Antimycotics resistance	Pushpanjali	Verma	India	Pushpanjali Verma
Poster session 1	P088	Molecular Identification and Antifungal Susceptibility of Pathogenic Yeasts from the China Antifungal Resistance Surveillance Trial (CARST-fungi) Study	Antifungals and Antimycotics resistance	Qiqi	Wang	China	Qiqi Wang
Poster session 1	P089	CANDIDEMIA: PREVALENCE, SPECIES CHARACTERIZATION AND THE ANTIBIOTIC SUSCEPTIBILITY PROFILE FROM A TERTIARY CARE HOSPITAL IN NORTH INDIA	Antifungals and Antimycotics resistance	Ashish	William	India	Ashish William
Poster session 1	P090	Biofilm forming capabilities in Multi-drug Resistant Candida species with special emphasis on Candida auris isolated from Intensive Care Unit patients	Antifungals and Antimycotics resistance	Harshita	Yadav	India	Harshita Yadav
Poster session 1	P092	Otilonium bromide is a potent antifungal agent against fluconazole- and flucytosine-resistant Cryptococcus neoformans strains	Antifungals and Antimycotics resistance	Cheng	Zhen	China	Cheng Zhen
Poster session 1	P093	A novel GAL4-like transcriptional regulator modulate the azoles sensitivity of Exophiala dermatitidis	Antifungals and Antimycotics resistance	Yutang	Zhu	China	Yi Sun
Poster session 1	P094	Atypical cutaneous manifestations of sporotrichosis in Brazil	Dermatological mycology	Filipe	Batista	Brazil	Filipe Batista
Poster session 1	P096	Comprehensive analysis of Trichophyton mentagrophytes/interdigitale complex from human and animal origin	Dermatological mycology	Dipika	Shaw	India	Dipika Shaw
Poster session 1	P097	Epidemiology of Dermatophytes Related Infections in Kuwait: A retrospective Study.	Dermatological mycology	Anoud	Al-Aryan	Kuwait	Khaled A. Al Obaid
Poster session 1	P098	Human protothecosis: a case report in Northeastern Brazil	Dermatological mycology	Conceicao	Pedrozo	Brazil	Conceicao Pedrozo
Poster session 1	P099	MOLECULAR IDENTIFICATION OF DERMATOPHYTE SPECIES FROM EASTERN ASSAM, NORTHEAST INDIA	Dermatological mycology	Dr.Sumita	Boro	India	Sumita Boro
Poster session 1	P100	Potent inhibition of dermatophyte fungi by Australian native jarrah honey	Dermatological mycology	Dee	Carter	Australia	Dee Carter
Poster session 1	P102	Nuclear Magnetic Resonance based identification of metabolites in Dermatophytes	Dermatological mycology	Anupam	Das	India	Anupam Das
Poster session 1	P103	ROLE OF BIOFILM PRODUCTION IN RECALCITRANT TINEA	Dermatological mycology	Seema	Gangar	India	Seema Gangar
Poster session 1	P105	In-vitro interaction of Malassezia and commensal Staphylococcus species	Dermatological mycology	Jyoti	Gupta	India	Jyoti Gupta
Poster session 1	P106	A Dermoscopic Finding of Tinea Capitis caused by Microsporum canis	Dermatological mycology	Eunhye	Jeong	South Korea	Jongsoo Choi
Poster session 1	P107	Spectrum of dermatophyte infections & drug susceptibility pattern of dermatophytes in patients visiting to tertiary care hospital in Chhattisgarh state of India	Dermatological mycology	Archana	Keche	India	Archana Keche
Poster session 1	P110	AIRE gene mutation predisposing chronic mucocutaneous candidiasis in two kids from a Chinese family	Dermatological mycology	Yubo	Ma	China	Yubo Ma
Poster session 1	P111	A case of nail discoloration due to topical treatment of onychomycosis with luliconazole 5% nail solution	Dermatological mycology	Tomotaka	Sato	Japan	Tomotaka Sato
Poster session 1	P113	Expression profile of ABC and MFS multi-drug transporter genes in terbinafine- and fluconazole-resistant Trichophyton spp.	Dermatological mycology	Dipika	Shaw	India	Dipika Shaw
Poster session 1	P114	Clinical and microbiological spectrum of dermatophytosis from a tertiary care institute	Dermatological mycology	Sukanya	Sudhakaran	India	Sukanya Sudhakaran
Poster session 1	P115	Reversed-phase high-performance liquid chromatography as rapid and simple method for quantifications of terbinafine drug in human serum from dermatophytosis cases	Dermatological mycology	Sheetal	Thakur	India	Sheetal Thakur
Poster session 1	P116	Cutaneous fungal infections in elderly population from Bhopal	Dermatological mycology	Sevitha	Venkatesan	India	Sevitha Venkatesan

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 1	P118	Pentraxin-3 interacts with Aspergillus fumigatus conidia to regulate pro-inflammatory cytokine production	Immunology of fungal infections	Sarah	Dellière	France	Sarah Dellière
Poster session 1	P119	Dysregulated IL-23R and CD25 T cells in Post COVID-19 Rhino-Orbital Mucormycosis Patients	Immunology of fungal infections	Gargi	Rai	India	Gargi Rai
Poster session 1	P120	Vaccine induced protection by secreted aspartyl proteinase 2 from Candida parapsilosis in Candida tropicalis mediated murine systemic candidiasis: A role of B-cells and Antibodies.	Immunology of fungal infections	Soma	Rohatgi	India	Soma Rohatgi
Poster session 1	P121	Effect of corticosteroids on the host innate immune response and in-vitro growth characters during dermatophyte infection.	Immunology of fungal infections	Arunima	Sharma	India	Arunima Sharma
Poster session 1	P122	Myeloid-Derived Suppressor Cells as a Potential Biomarker and Therapeutic Target in rhino-orbital mucormycosis patients	Immunology of fungal infections	Praveen	Singh	India	Praveen Singh
Poster session 1	P123	Study of naive and memory T helper cell response in patients of chronic rhinosinusitis with nasal polyps (CRSWNP) after in-vitro exposure to Aspergillus flavus	Immunology of fungal infections	Shukla	Das	India	Shukla Das
Poster session 1	P124	Cryptococcus neoformans- and Cryptococcus gattii-specific antibodies vary among children and adults with cryptococcosis and healthy from Colombia	Immunology of fungal infections	Carolina	Firacative	Colombia	Carolina Firacative
Poster session 1	P125	Histoplasma capsulatum modulates the immune response exerted by mesenchymal stromal cells	Immunology of fungal infections	Angel	Gonzalez	Colombia	Angel Gonzalez
Poster session 1	P126	Effects of Histoplasma capsulatum infection on activation and proliferation of hematopoietic stem cells	Immunology of fungal infections	Angel	Gonzalez	Colombia	Angel Gonzalez
Poster session 1	P127	Cytokine gene Polymorphism in Superficial Malassezia associated skin diseases.	Immunology of fungal infections	Charu	Jain	India	Charu Jain
Poster session 1	P128	Chronic pulmonary aspergillosis in a Tuberculosis Center of Assam—a two year study	Immunology of fungal infections	Aishwarya	K	India	Aishwarya K
Poster session 1	P131	Optimization of MTT assay protocol in Pythium insidiosum zoospores incubated together with neutrophils	Immunology of fungal infections	Sadeep	Medhasi	Thailand	Sadeep Medhasi
Poster session 1	P133	Post COVID-19 recurrent fungal urinary tract infections : A case series	Immunology of fungal infections	Siddhant	Shetty	India	Siddhant Shetty
Poster session 1	P135	Immunological correlation with clinicomycological aspects of fungal rhinosinusitis during COVID-19 pandemic.	Immunology of fungal infections	Mohan	Vashistha	India	Mohan Vashistha
Poster session 1	P172	1st report of Aspergillus tamarii producing Influenza associated Invasive Pulmonary Aspergillosis	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Monalisa Sahu
Poster session 1	P472	The mechanism of action of antifungal activity of Zanthoxylum armatum fruit's oil against Candida cells does not involve ROS generation	Antifungals and Antimycotics resistance	Ritu	Pasrija	India	Ritu Pasrija
Poster session 1	P473	Genomic epidemiology of antifungal-resistant Candida auris in Colombia	Antifungals and Antimycotics resistance	Elizabeth	Misas	United States	Nancy Chow
Poster session 1	P474	The value of PCR-based azole resistance detection in invasive aspergillosis. A prospective multicenter study	Antifungals and Antimycotics resistance	Bart	Rijnders	Netherlands	Sammy Huygens
Poster session 1	P475	Bee health and the antifungal activity of honey	Antifungals and Antimycotics resistance	Kenya	Fernandes	Australia	Kenya Fernandes
Poster session 1	P476	Monitoring Antifungal Resistance in a Global Collection of Candida spp. Surveillance Isolates, including C. auris -Analysis of Resistance in Antifungals (ARIA) 2020 study	Antifungals and Antimycotics resistance	Nimmi	Kothari	Switzerland	Nimmi Kothari
Poster session 1	P477	In vitro synergy of combination therapy against antifungal-resistant Candida spp. isolated from captive bottlenose dolphins (Tursiops truncatus)	Antifungals and Antimycotics resistance	Giorgia	Matteucci	Italy	Giorgia Matteucci
Poster session 1	P478	STUDY FROM TERTIARY CARE PEDIATRIC HOSPITAL IN NOIDA.	Antifungals and Antimycotics resistance	Naz	Perween	India	Naz Perween
Poster session 1	P479	Causative Agents of Onychomycosis and Associated Factors: A 15 Year Study	Dermatological mycology	Sertaç	Küçükkaya	Turkey	Sertaç Küçükkaya
Poster session 1	P480	A novel zincophore locus in Candida auris?	Immunology of fungal infections	Tanmoy	Chakraborty	United Kingdom	Tanmoy Chakraborty
Poster session 1	P481	Antifungal vaccines: An alternative approach to combat multidrug resistance in the post-antibiotic era	Immunology of fungal infections	Aijaz	Ahmad	South Africa	Aijaz Ahmad
Poster session 1	P482	Burden of serious fungal infections in India	Clinical mycology case presentation, epidemiology	Animesh	Ray	India	Animesh Ray
Poster session 1	P483	Invasive fungal infection in hematopoietic stem cell transplant recipient from an Indian oncology setting.	Clinical mycology case presentation, epidemiology	Bikram	Das	India	Bikram Das
Poster session 1	P484	Expanding VGVI - Evidence for distinct Cryptococcus gattii (decagattii) endemic to the American Southwest	Clinical mycology case presentation, epidemiology	David	Engelthaler	United States	David Engelthaler
Poster session 1	P485	HIV-POSITIVE, SOLID ORGAN TRANSPLANT (SOT), AND NON-HIV-POSITIVE/NON-TRANSPLANT (NHNT) ASSOCIATED WITH CRYPTOCOCCOSIS IN BRAZIL: FIRST NATIONAL MULTICENTER COHORT STUDY	Clinical mycology case presentation, epidemiology	Francelise	Bridi Cavassin	Brazil	Francelise Bridi Cavassin
Poster session 1	P486	Disseminated Cryptococcosis diagnosed on Fine Needle Aspiration Cytology	Clinical mycology case presentation, epidemiology	Satish	Swain	India	Satish Swain
Poster session 1	P487	Basidiobolus omanensis, an emerging pathogen to watch out for?	Clinical mycology case presentation, epidemiology	Abdullah	Al-hatmi	Oman	Abdullah Al-hatmi

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 1	P488	Successful treatment of breakthrough invasive aspergillosis in an immunocompetent individual based on therapeutic drug monitoring: a case report	Clinical mycology case presentation, epidemiology	Xin	Yin	China	Xin Yin
Poster session 1	P489	Anti-Granulocyte-Macrophage Colony-Stimulating Factor (Anti-GM-CSF) Autoantibodies - The Underrecognized Cause of Cryptococcosis in non-HIV Individuals in Thailand: Case Series from A Single Tertiary Care Hospital	Clinical mycology case presentation, epidemiology	Methee	Chayakulkeeree	Thailand	Methee Chayakulkeeree
Poster session 1	P490	Fatal secondary fungemia due to Trichosporon asahii onychomycosis in a diabetic patient	Clinical mycology case presentation, epidemiology	Ferry	Hagen	Netherlands	Ferry Hagen
Poster session 1	P491	Scedosporium Apiospermum Brain Abscess in an Immunocompetent host: Rare Case from Southern India	Clinical mycology case presentation, epidemiology	Divya	Joshi	India	Divya Joshi
Poster session 2	P137	Remote inoculation mycosis: Rip Van Winkle wakes up	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Rajeev Soman
Poster session 2	P138	A decade of cat-transmitted sporotrichosis (CTS) in a tertiary hospital from Curitiba, southern Brazil (2011-2021)	Clinical mycology case presentation, epidemiology	Regielly	Cognialli	Brazil	Flávio Queiroz-Telles
Poster session 2	P139	Candida: an important partner in polymicrobial colonization on indwelling medical devices	Clinical mycology case presentation, epidemiology	Purvi	Joshi	India	Purvi Joshi
Poster session 2	P140	Saksenea vasiformis infection: case report of extensive abdominal wall necrotizing fasciitis with systematic review and analysis of 64 cases	Clinical mycology case presentation, epidemiology	Karthick	K	India	Karthick K
Poster session 2	P141	Study of prevalence, antifungal profile and predictors of mortality in Chronic Pulmonary Aspergillosis in a cohort of liver disease patient	Clinical mycology case presentation, epidemiology	Pratibha	Kale	India	Pratibha Kale
Poster session 2	P142	Lodderomyces elongisporus: An emerging cause of fungaemia	Clinical mycology case presentation, epidemiology	Harsimran	Kaur	India	Harsimran Kaur
Poster session 2	P143	Incidence of chronic pulmonary aspergillosis in a cohort of bacteriologically confirmed TB patients at a tertiary hospital in Ghana	Clinical mycology case presentation, epidemiology	Bright	Ocansey	Ghana	Bright Ocansey
Poster session 2	P144	The uncommon meets the common: Invasive Aspergillosis & Tuberculosis Co-infection in Non-neutropenic patients – A rare association	Clinical mycology case presentation, epidemiology	Akshatha	R	India	Akshatha R
Poster session 2	P145	Co-infections due to Aspergillus & Mucorales: Case series from a superspeciality medical centre in India.	Clinical mycology case presentation, epidemiology	Bhaskar	Rana	India	Bhaskar Rana
Poster session 2	P146	Penicillium-like mould: caught red-handed, but remained unidentified	Clinical mycology case presentation, epidemiology	Sujata	Rege	India	Sujata Rege
Poster session 2	P147	Fungal osteomyelitis in patients with chronic granulomatous disease: a case series from a tertiary care medical centre.	Clinical mycology case presentation, epidemiology	Janya	Sachdev	India	Janya Sachdev
Poster session 2	P148	Emerging and cryptic Aspergillus species isolated from hospitalized patients with underlying primary immunodeficiencies	Clinical mycology case presentation, epidemiology	Amir	Seyedmousavi	United States	Chioma Aneke
Poster session 2	P149	Short tandem repeat genotyping of South American Candida tropicalis isolates	Clinical mycology case presentation, epidemiology	Bram	Spruijtenburg	Netherlands	Bram Spruijtenburg
Poster session 2	P150	Profile of Candidemia in a National level HAI Surveillance Network of India.	Clinical mycology case presentation, epidemiology	Sharad	Srivastav	India	Sharad Srivastav
Poster session 2	P151	Molecular epidemiology of environmental strains of Cryptococcus isolated from Varanasi, Uttar Pradesh, India	Clinical mycology case presentation, epidemiology	Neha Nidhi	Tirkey	India	Neha Nidhi Tirkey
Poster session 2	P152	AFRICAN WOMAN WITH A KNEE KNOCKED BY A RARE DEMATIACEOUS FUNGI	Clinical mycology case presentation, epidemiology	Naveen	AS	India	Naveen AS
Poster session 2	P153	Comparison of clinical presentation of 2 cases of paracoccidioidomycosis in Shushufindi, Ecuador.	Clinical mycology case presentation, epidemiology	Jaime David	Acosta España	Germany	Jaime David Acosta España
Poster session 2	P154	Fungal spore count in a tertiary care hospital in Mumbai, India	Clinical mycology case presentation, epidemiology	Umang	Agarwal	India	Madhu Rai
Poster session 2	P155	A Mexican case series of COVID-19 associated pulmonary aspergillosis	Clinical mycology case presentation, epidemiology	Daniel	Aguilar-zapata	Mexico	Daniel Aguilar-zapata
Poster session 2	P157	Entomophthoromycosis: A rare fungal infection case series	Clinical mycology case presentation, epidemiology	Jaweed	Ahmed	India	Jaweed Ahmed
Poster session 2	P158	Epidemiology of aspergillosis in Kuwait: a nationwide study	Clinical mycology case presentation, epidemiology	Khaled	Alobaid	Kuwait	Khaled Alobaid
Poster session 2	P159	The impact of COVID-19 pandemic on invasive Candida auris infections in Kuwait	Clinical mycology case presentation, epidemiology	Faten	Al-Wathiqi	Kuwait	Khaled Alobaid
Poster session 2	P160	Paracoccidioidomycosis severe: Bizarre presentation in the face	Clinical mycology case presentation, epidemiology	Conceicao	Pedrozo	Brazil	Conceicao Pedrozo
Poster session 2	P161	Epidemiological trends of Candida species in Urine Culture – A Retrospective Study In A Tertiary Care Hospital in Punjab	Clinical mycology case presentation, epidemiology	Lavisha	Bansal	India	Lavisha Bansal
Poster session 2	P162	Parinaud's Oculoglandular Syndrome as an atypical manifestation of sporotrichosis in Brazil	Clinical mycology case presentation, epidemiology	Filipe	Batista	Brazil	Filipe Batista
Poster session 2	P163	SUCCESSFUL MANAGEMENT OF COVID-19-ASSOCIATED MUCORMYCOSIS IN STATE OF PERNAMBUCO, NORTHEASTERN BRAZIL: 2-case reports	Clinical mycology case presentation, epidemiology	Filipe	Batista	Brazil	Filipe Batista
Poster session 2	P164	Sporotrichosis as an emerging disease in osteomyelitis	Clinical mycology case presentation, epidemiology	Filipe	Batista	Brazil	Filipe Batista

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 2	P165	Mycological Profile of Keratitis from Tertiary Care Centre in State of Chattisgarh, India	Clinical mycology case presentation, epidemiology	Sibani	Behera	India	Sibani Behera
Poster session 2	P166	Traumatic implantation keratitis with Schizophyllum commune in Central India	Clinical mycology case presentation, epidemiology	Arati	Bhadade	India	Arati Bhadade
Poster session 2	P167	Fungemia in neonatal ICU of a pediatric hospital in NE India.	Clinical mycology case presentation, epidemiology	Yendrembam	Bidyalakshmi	India	Yendrembam Bidyalakshmi
Poster session 2	P168	Metastatic mould infections after COVID-19: The mould time-bomb	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Rajeev Soman
Poster session 2	P169	Systemic Pythiosis: Presumably, the first human case in India.	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Geethu Joe
Poster session 2	P170	Life threatening hemoptysis in COVID-19 associated Pulmonary Aspergillosis (CAPA)	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Rajeev Soman
Poster session 2	P171	Pneumocystis Jirovecii Pneumonia (PCP) in non-HIV immunosuppressed patients: A case series	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Sourabh Chakraborty
Poster session 2	P173	PK PD rationale & efficacy of isavuconazole treatment after failure of Amphotericin B and Posaconazole for COVID-19 associated cranial Mucormycosis	Clinical mycology case presentation, epidemiology	Sourabh	Chakraborty	India	Rajeev Soman
Poster session 2	P174	Prevalence and Outcomes of patients with COVID associated Mucormycosis (CAM): A Case series	Clinical mycology case presentation, epidemiology	Sangeeta	Chakraborty	India	Sangeeta Chakraborty
Poster session 2	P176	Basidiobolus meristosporus - A new species on the block!	Clinical mycology case presentation, epidemiology	Ruchita	Chabra	India	Ruchita Chabra
Poster session 2	P177	A Psittacine bite and subcutaneous Zygomycosis in immune competent: Case with therapeutic challenge	Clinical mycology case presentation, epidemiology	Shivani	Choubey	India	Shivani Choubey
Poster session 2	P178	An unusual recurrent case of Cryptococcal sacroilitis in an immunocompetent elderly female in Rajasthan, India	Clinical mycology case presentation, epidemiology	Sidhya	Choudhary	India	Sidhya Choudhary
Poster session 2	P180	Is Gene Sequencing - only way forward?	Clinical mycology case presentation, epidemiology	Camila	Dcoutho	India	Camila Dcoutho
Poster session 2	P181	Mucor in the land of the Liver: A Case Report	Clinical mycology case presentation, epidemiology	Sreya	Deb	India	Sreya Deb
Poster session 2	P184	Candida auris candidemia in COVID-19 and post COVID-19 patients in a Tertiary Care Hospital in North India	Clinical mycology case presentation, epidemiology	Ajai Kumar	Dixit	India	Ajai Kumar Dixit
Poster session 2	P185	Epidemiology of human fusariosis in Greece: results from a 16-year nationwide multicentre survey	Clinical mycology case presentation, epidemiology	Maria	Drogari-Apiranthitou	Greece	Maria Drogari-Apiranthitou
Poster session 2	P186	Disseminated Histoplasmosis in an immunocompetent patient in a tertiary care center in North India	Clinical mycology case presentation, epidemiology	Akanksha	Dubey	India	Akanksha Dubey
Poster session 2	P187	Paratracheal abscess by plant fungus Chondrostereum purpureum. First case report of human infection.	Clinical mycology case presentation, epidemiology	Dr Soma	Dutta	India	Soma Dutta
Poster session 2	P188	An uncommon case of Subcutaneous basidiobolomycosis in a young adult – A case report	Clinical mycology case presentation, epidemiology	Arthi	Elumalai	India	Arthi Elumalai
Poster session 2	P189	The effect of Covid 19 and immunosuppressive drugs and diabetes on the spread of mucomycosis	Clinical mycology case presentation, epidemiology	Maryam	Esfidani	Iran	Maryam Esfidani
Poster session 2	P192	Investigating the link between pleomorphism and virulence in Cryptococcus	Clinical mycology case presentation, epidemiology	Kenya	Fernandes	Australia	Kenya Fernandes
Poster session 2	P193	Candidemia in coronavirus disease 2019 patients in a university hospital in Buenos Aires, Argentina	Clinical mycology case presentation, epidemiology	Norma B.	Fernandez	Argentina	Norma B. Fernandez
Poster session 2	P194	Disseminated fusariosis in haematological malignancies with favourable outcomes	Clinical mycology case presentation, epidemiology	Norma B.	Fernandez	Argentina	Norma B. Fernandez
Poster session 2	P195	Factors Related to Outcome of Bloodstream Infections due to Candida parapsilosis complex: A Single centre Observation study from Central India.	Clinical mycology case presentation, epidemiology	Rahul	Garg	India	Rahul Garg
Poster session 2	P196	A Rare Presentation of Subcutaneous Entomophthoromycosis	Clinical mycology case presentation, epidemiology	Nimmy Elizabeth	George	India	Nimmy Elizabeth George
Poster session 2	P197	Infant-juvenile paracoccidioidomycosis. Two Argentine endemic zones with different epidemiological and clinical aspects? What influences this situation?	Clinical mycology case presentation, epidemiology	Gustavo	Giusiano	Argentina	Gustavo Giusiano
Poster session 2	P198	Persistent Fungemia with Candida auris in a patient with enterocutaneous fistula	Clinical mycology case presentation, epidemiology	Swati	Gohel	India	Swati Gohel
Poster session 2	P200	Lodderomyces elongisporus fungemia in a late post-operative patient with ventricular septal defect: case report	Clinical mycology case presentation, epidemiology	Sudesh	Gourav	India	Sudesh Gourav
Poster session 2	P201	Medicopsis romeroi: an emerging cause of subcutaneous infections	Clinical mycology case presentation, epidemiology	Rajendra	Gudisa	India	Rajendra Gudisa
Poster session 2	P203	Chronic pulmonary aspergillosis (CPA) in post tuberculosis sequele – A clinical experience from tertiary care	Clinical mycology case presentation, epidemiology	Chhavi	Gupta	INDIA	Chhavi Gupta
Poster session 2	P204	Secondary organising pneumonia caused by Aspergillus flavus in immunocompromised patients	Clinical mycology case presentation, epidemiology	Chhavi	Gupta	INDIA	Chhavi Gupta

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 2	P205	Uncommon Aspergillus species encountered in human infections	Clinical mycology case presentation, epidemiology	Prakriti	Gupta	India	Prakriti Gupta
Poster session 2	P206	Phenotypic and molecular characterization of emerging Basidiomycete Schizophyllum commune isolated from clinical samples from India.	Clinical mycology case presentation, epidemiology	Sunita	Gupta	India	Sunita Gupta
Poster session 2	P207	A rare case of disseminated Blastomycosis in an immunocompetent host: a report from North India	Clinical mycology case presentation, epidemiology	Bishal	Gupta	India	Bishal Gupta
Poster session 2	P208	Genetic diversity of the emerging human fungal pathogen Pichia norvegensis	Clinical mycology case presentation, epidemiology	Ferry	Hagen	Netherlands	Ferry Hagen
Poster session 2	P209	First report of Mycetoma due to Madurella fahalii from India	Clinical mycology case presentation, epidemiology	Vinaykumar	Hallur	India	Pritika Gahlot
Poster session 2	P210	Fungal isolates of the respiratory tract in Symptomatic Patients Hospitalized in Pulmonary Units: A Molecular and Molecular Epidemiologic Study	Clinical mycology case presentation, epidemiology	Seyed Jamal	Hashemi	Iran	Seyed Jamal Hashemi
Poster session 2	P211	Fungal and bacterial co-infections of the respiratory tract among patients with COVID-19 hospitalized in intensive care units	Clinical mycology case presentation, epidemiology	Hasti	Kamali Sarvestani	Iran	Hasti Kamali Sarvestani
Poster session 2	P212	Fatal invasive aspergillosis in a child with Chronic Granulomatous Disease; a case report	Clinical mycology case presentation, epidemiology	Hasti	Kamali Sarvestani	Iran	Hasti Kamali Sarvestani
Poster session 2	P213	Lasioidiplodia theobromae: an emerging human pathogen	Clinical mycology case presentation, epidemiology	Rimjhim	Kanaujia	India	Rimjhim Kanaujia
Poster session 2	P215	Investigation of an outbreak of neonatal candidaemia in the NICU of a 300-bedded hospital in North India	Clinical mycology case presentation, epidemiology	Tripta	Kaur	India	Tripta Kaur
Poster session 2	P216	Rare isolates from Subcutaneous Mycotic lesions; a study from tertiary care center in Chhattisgarh, India	Clinical mycology case presentation, epidemiology	Archana	Keche	India	Archana Keche
Poster session 2	P217	Pelvic Mycoses– An Unusual Presentation of Rhizopus arrhizus in an Immunocompetent Patient	Clinical mycology case presentation, epidemiology	Yash	Khatod	India	Yash Khatod
Poster session 2	P219	Fungal Keratitis Caused by Pseudallescheria boydii: Clinical and Mycological Characteristics	Clinical mycology case presentation, epidemiology	Sadegh	Khodavaisy	Iran	Sadegh Khodavaisy
Poster session 2	P221	Deep Dermatophytosis Presented as Multiple Exophytic Masses caused by Trichophyton rubrum in Immunocompromised Patient with Rheumatoid Arthritis ; A Case Report	Clinical mycology case presentation, epidemiology	Hyojin	Kim	South Korea	Seong Min Hong
Poster session 2	P222	Epidemiology of Candidaemia at Level-1 Trauma care centre in North India	Clinical mycology case presentation, epidemiology	Vandana	Kiro	INDIA	Vandana Kiro
Poster session 2	P223	First case of Candida auris candidemia in Manipur, Northeast India	Clinical mycology case presentation, epidemiology	Ojita	Konjengbam	India	Ojita Konjengbam
Poster session 2	P224	A challenging case of pyrexia of unknown origin of adrenal mass	Clinical mycology case presentation, epidemiology	Arvind	Kumar	India	Arvind Kumar
Poster session 2	P225	Subcutaneous phaeoophomycosis by Phaeoacremonium species in a renal transplant recipient	Clinical mycology case presentation, epidemiology	Manibhushan	Kumar	India	Manibhushan Kumar
Poster session 2	P226	Malassezia hyphae play possible roles in the pathogenesis of androgenetic alopecia	Clinical mycology case presentation, epidemiology	Juanjuan	Li	China	Juanjuan Li
Poster session 2	P229	3 cases of easy to be misdiagnosed tinea of vellus hair	Clinical mycology case presentation, epidemiology	Wentao	Liu	China	Wentao Liu
Poster session 2	P231	The first case of neonatal fungemia caused by Aureobasidium melanogenum	Clinical mycology case presentation, epidemiology	Kavya	M	India	Kavya M
Poster session 2	P232	Disseminated cryptococcosis in HIV due to different species – dissimilar yet alike!	Clinical mycology case presentation, epidemiology	Surabhi	Madan	India	Surabhi Madan
Poster session 2	P233	COVID-19 Associated Mucormycosis: An Experience of Invasive Fungal Sinusitis from a Tertiary Care Referral Center in Northern India	Clinical mycology case presentation, epidemiology	Rungmei S K	Marak	India	Rungmei S K Marak
Poster session 2	P235	Rhino sinusoidal Lasioidiplodia theobromae: a clinical and diagnostic dilemma	Clinical mycology case presentation, epidemiology	Anand Kumar	Maurya	India	Anand Kumar Maurya
Poster session 2	P237	Molecular epidemiology of Cryptococcosis over 14 years - using Whole Genome Sequencing and Multi-Locus Sequence Typing.	Clinical mycology case presentation, epidemiology	Joy Sarojini	Michael	India	Joy Sarojini Michael
Poster session 2	P239	Molecular identification and antifungal susceptibility pattern of Candida species isolated from pediatrics with high colonization index in the Children Medical Center, Tehran	Clinical mycology case presentation, epidemiology	Maryam	Moazeni	Iran	Maryam Moazeni
Poster session 2	P240	Candida nivariensis infection in South East Asia: Series of Case reports from Selayang Hospital, Malaysia and South East Asia Region.	Clinical mycology case presentation, epidemiology	Nur Aminah	Mohamed Ali	Malaysia	Nur Aminah Mohamed Ali
Poster session 2	P242	Autochthonous cases of Madura foot from Jodhpur, Western Rajasthan, India	Clinical mycology case presentation, epidemiology	Venkatgoutham	Nag P	India	Venkat Goutham Nag
Poster session 2	P243	Case series of Cryptococcal Meningitis - Experience in North Western India over one year (2021-22)	Clinical mycology case presentation, epidemiology	Santhanam	Naguthevar	India	Santhanam Naguthevar
Poster session 2	P244	Catheter-Associated Blood Stream Infections due to Wickerhamiella pararugosa in a Patient with Acute Myeloid Leukemia: Review of Litratues	Clinical mycology case presentation, epidemiology	Elahe	Nasri	Iran	Elahe Nasri
Poster session 2	P245	Arthrinium species, a filamentous ascomycetes isolated from samples of human cutaneous infections-report from a medical mycology laboratory of Assam, North-East India	Clinical mycology case presentation, epidemiology	Reema	Nath	India	Reema Nath

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 2	P246	Neglected keratitis caused by Exserohilum rostratum from the arid region of north-west India leading to vision loss- A case report	Clinical mycology case presentation, epidemiology	Suresh	Netar	india	Suresh Netar
Poster session 2	P248	Fungal meningitis in an immunocompetent individual	Clinical mycology case presentation, epidemiology	Priyolakshmi	Ningthoujam	India	Priyolakshmi Ningthoujam
Poster session 2	P249	Predictors of adverse outcome in sarcoidosis complicated by chronic pulmonary aspergillosis	Clinical mycology case presentation, epidemiology	Lisa	Nwankwo	United Kingdom	Darius Armstrong-James
Poster session 2	P251	DISSEMINATED HISTOPLASMOSIS IN A GHANAIAN HIV PATIENT: ROLE OF URINE HISTOPLASMA ANTIGEN TESTING IN RAPID DIAGNOSIS	Clinical mycology case presentation, epidemiology	Benjamin	Otoo	Ghana	Bright Ocansey
Poster session 2	P252	A rare case of fungal liver abscess in an immunocompetent patient from India.	Clinical mycology case presentation, epidemiology	Harishni	Padmanaban	India	Harishni Padmanaban
Poster session 2	P253	Features of Cryptococcosis in Human Immunodeficiency Virus-negative Patients, France 1985-2020	Clinical mycology case presentation, epidemiology	Olivier	Paccoud	France	Olivier Paccoud
Poster session 2	P254	Clinical and microbiological spectrum of invasive trichosporonosis from a tertiary care institute in India.	Clinical mycology case presentation, epidemiology	Umabala	Pamidimukkala	India	Umabala Pamidimukkala
Poster session 2	P255	Facial Tinea Incognito: A Clinical, Dermoscopic, and Mycological Study	Clinical mycology case presentation, epidemiology	Jin	Park	South Korea	Jin Park
Poster session 2	P256	A rare case of co-infection with Nigrospora oryzae with mucormycosis in an immunocompromised post-covid patient	Clinical mycology case presentation, epidemiology	Ankita	Patel	India	Ankita Patel
Poster session 2	P257	Amplified fragment length polymorphism fingerprinting supports the absence of correlation of genotype with clinical phenotype or source of the isolate in Aspergillus flavus infections	Clinical mycology case presentation, epidemiology	Raees	Paul	India	Raees Paul
Poster session 2	P258	INCIDENCE OF HISTOPLASMOSIS, CRYPTOCOCCOSIS, AND TB AMONG PEOPLE LIVING WITH HIV IN PARAGUAY-PRELIMINARY REPORT	Clinical mycology case presentation, epidemiology	Freddy	Perez	United States	Diego H. Cáceres
Poster session 2	P259	Rare presentations of Cryptococcosis: A Case series	Clinical mycology case presentation, epidemiology	Sowjanya	Perumalla	India	Sowjanya Perumalla
Poster session 2	P260	Sporotrichosis hyperendemic in Southern Brazil: Twelve years of challenges	Clinical mycology case presentation, epidemiology	Vanice	Poester	Brazil	Vanice Poester
Poster session 2	P261	Candida species in the bloodstream of patients from a tertiary hospital in southern Brazil	Clinical mycology case presentation, epidemiology	Vanice	Poester	Brazil	Vanice Poester
Poster session 2	P262	Clinico-Microbiological profile of post-COVID pulmonary fungal infections encountered during the second wave of COVID-19 pandemic at a tertiary care teaching hospital in the Himalayas	Clinical mycology case presentation, epidemiology	Oshin	Puri	India	Oshin Puri
Poster session 2	P263	INVASIVE PULMONARY ASPERGILLOSIS(IPA) AMONG NON-INTUBATED COVID-19 PATIENTS – A NEW AGE FUNGAL STORM.	Clinical mycology case presentation, epidemiology	Raghapriya	Raghu	India	Raghapriya Raghu
Poster session 2	P264	Brain phaeohyphomycosis secondary to immunosuppressant therapy due to Rhinocladiella mackenziei	Clinical mycology case presentation, epidemiology	DR Madhu	Rai	India	Madhu Rai
Poster session 2	P265	Phaeohyphomycosis caused by Rhinocladiella similis mimicking Sporotrichosis	Clinical mycology case presentation, epidemiology	Rahul	Ranjan	India	Rahul Ranjan
Poster session 2	P266	A Case of MixedFungal Infection causing Invasive Fungal Rhinosinusitis in a Post Covid patient	Clinical mycology case presentation, epidemiology	Ujjwayini	Ray	India	Ujjwayini Ray
Poster session 2	P267	Candida in the biliary tract: Extrapolative PK PD considerations	Clinical mycology case presentation, epidemiology	Sujata	Rege	India	Sujata Rege
Poster session 2	P268	Laryngeal Mucormycosis: Does Mucor take the voice away?	Clinical mycology case presentation, epidemiology	Sujata	Rege	India	Sujata Rege
Poster session 2	P269	Managing Prosthetic Valve Endocarditis due to Sarocladium kiliense: finding a way through uncertainties	Clinical mycology case presentation, epidemiology	Sujata	Rege	India	Sujata Rege
Poster session 2	P270	Otomycosis: Main challenging microbial agent causing otitis externa in northern Iran	Clinical mycology case presentation, epidemiology	Behrad	Roohi	Iran	Behrad Roohi
Poster session 2	P271	A masquerading case of Cryptococcus neoformans	Clinical mycology case presentation, epidemiology	Divyashree	S	India	Divyashree S
Poster session 2	P272	Fungal brain abscess in the era of COVID 19: An experience from a tertiary care Neurosciences Institute in South India	Clinical mycology case presentation, epidemiology	Siddiah	Nagarathna	India	Siddiah Nagarathna
Poster session 2	P273	Diagnostic dilemmas in Pneumocystis pneumonia in case of long Covid-19	Clinical mycology case presentation, epidemiology	Arpit	Shah	India	Arpit Shah
Poster session 2	P274	COVID associated Invasive Pulmonary Aspergillosis (CAPA) – a Case Report	Clinical mycology case presentation, epidemiology	Asish	Sahoo	India	Asish Sahoo
Poster session 2	P275	Dematiaceous fungi as a rare cause of fungal sinusitis in a tertiary care centre	Clinical mycology case presentation, epidemiology	K.V.P Saikiran	Kumar	India	K.V.P. Sai Kiran Kumar
Poster session 2	P276	Molecular epidemiology of clinical filamentous fungi in Qatar beyond Aspergillus and Fusarium.	Clinical mycology case presentation, epidemiology	Husam Eldin	Mohamed	Qatar	Husam Eldin Mohamed
Poster session 2	P277	The epidemiology, clinical manifestations and outcomes of cerebral mucormycosis: A systematic review	Clinical mycology case presentation, epidemiology	Mohammadreza	Salehi	Iran	Mohammadreza Salehi
Poster session 2	P278	Brain abscess caused by dematiaceous fungi in apparently immunocompetent hosts: A case series	Clinical mycology case presentation, epidemiology	Pratik	Savaj	india	Pratik Savaj

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 2	P279	Invasive Trichosporonosis: An emerging blood stream fungal infection in immunocompromised patients	Clinical mycology case presentation, epidemiology	Soumyadeep	Seal	INDIA	Soumyadeep Seal
Poster session 2	P281	Healthy adult with arm swelling and new onset burning pain	Clinical mycology case presentation, epidemiology	Kinjal	Shah	India	
Poster session 2	P282	Bacterial co-infections in Mucormycosis infected Covid-19 patients: Experience from a tertiary care center in India	Clinical mycology case presentation, epidemiology	Neha	Sharad	India	Neha Sharad
Poster session 2	P283	A rare case of vertebral osteomyelitis caused by co-infection of Candida and Mycobacterium Tuberculosis : a Double trouble	Clinical mycology case presentation, epidemiology	Shivang	Sharma	India	Shivang Sharma
Poster session 2	P284	A rare case of post covid bilateral renal mucormycosis	Clinical mycology case presentation, epidemiology	Manoj	Shevkani	India	Manoj Shevkani
Poster session 2	P285	Predominance of Trichophyton tonsurans causing tinea capitis: A 12- years retrospective study in north of Iran	Clinical mycology case presentation, epidemiology	Tahereh	Shokohi	Iran	Mohammad Taghi Hedayati
Poster session 2	P286	Histoplasmosis in Sri Lanka	Clinical mycology case presentation, epidemiology	Liyanage Shamithra Madhumali	Sigera	United Kingdom	Liyanage Shamithra Madhumali Sigera
Poster session 2	P287	A case of cerebral aspergillosis in Sri Lanka	Clinical mycology case presentation, epidemiology	Liyanage Shamithra Madhumali	Sigera	United Kingdom	Liyanage Shamithra Madhumali Sigera
Poster session 2	P288	Rhinocerebral mucormycosis due to Saksenaea vasiformis in a Sri Lankan patient: A rare fungal infection	Clinical mycology case presentation, epidemiology	Liyanage Shamithra Madhumali	Sigera	United Kingdom	Liyanage Shamithra Madhumali Sigera
Poster session 2	P289	A teenage with Pythium keratitis – A case report	Clinical mycology case presentation, epidemiology	Liyanage Shamithra Madhumali	Sigera	United Kingdom	Liyanage Shamithra Madhumali Sigera
Poster session 2	P290	Public health treat due to rise in Candida auris candidemia infection	Clinical mycology case presentation, epidemiology	Rakesh	Singh	India	Rakesh Singh
Poster session 2	P291	Aspergillosis: another force to reckon with, during COVID 19 times	Clinical mycology case presentation, epidemiology	Nidhi	Singla	India	Nidhi Singla
Poster session 2	P292	Short tandem repeat genotyping of Indian Candida tropicalis isolates reveals intrahospital cross transmission	Clinical mycology case presentation, epidemiology	Bram	Spruijtenburg	Netherlands	Bram Spruijtenburg
Poster session 2	P293	Development of a multiplex PCR short tandem repeat typing scheme for Candida tropicalis	Clinical mycology case presentation, epidemiology	Bram	Spruijtenburg	Netherlands	Bram Spruijtenburg
Poster session 2	P294	A descriptive study of Trichosporon fungaemia cases from tertiary care centre from north India.	Clinical mycology case presentation, epidemiology	Priya	Srinivasan	India	Priya Srinivasan
Poster session 2	P295	OVERVIEW OF POST COVID MUCORMYCOSIS IN A TERTIARY CARE HOSPITAL IN SOUTH INDIA	Clinical mycology case presentation, epidemiology	Kripa	Sridhar	India	Kripa Sridhar
Poster session 2	P296	The Role of Candida in Acute Pancreatitis: A disregarded pathogen	Clinical mycology case presentation, epidemiology	Smriti	Srivastava	India	Smriti Srivastava
Poster session 2	P297	Disseminated Histoplasmosis from skin to adrenals a cosmetic catastrophe – A rare case report	Clinical mycology case presentation, epidemiology	NEETHA	T R	India	Deepak Kumar
Poster session 2	P298	SWOC analysis of a virtual clinical mycology training module of short duration conducted by iMARC laboratory at AIIMS, Bhopal	Clinical mycology case presentation, epidemiology	Karuna	Tadepalli	India	Karuna Tadepalli
Poster session 2	P299	A clinicomycological study of suspected mucormycosis in post covid patients attending a tertiary care hospital.	Clinical mycology case presentation, epidemiology	Kiran	Tak	India	Kiran Tak
Poster session 2	P300	Importance of Direct microscopy in Respiratory Mold infection: A Diagnostic dilemma	Clinical mycology case presentation, epidemiology	Ragini	Tilak	India	Ragini Tilak
Poster session 2	P302	Disseminated Histoplasmosis : Rare Entity in Immunocompromised Individuals in India.	Clinical mycology case presentation, epidemiology	Gargi	Upadhyaya	India	Gargi Upadhyaya
Poster session 2	P303	An unusual case of isolated gluteal abscess	Clinical mycology case presentation, epidemiology	Viplov	Vaidya	India	Viplov Vaidya
Poster session 2	P304	Epidemiological and clinical characteristics of patients with onychomycosis caused due to Neoscytalidium spp. in two reference centers in Bogotá D.C.	Clinical mycology case presentation, epidemiology	María Alejandra	Vanegas Álvarez	Colombia	María Alejandra Vanegas Álvarez
Poster session 2	P305	Cirrhosis and fungal infections-a cocktail for catastrophe: a systematic review and meta-analysis with machine learning	Clinical mycology case presentation, epidemiology	Nipun	Verma	India	Nipun Verma
Poster session 2	P306	Scedosporium spp. and Lomentospora prolificans, fungal agents with unexpected vascular tropism	Clinical mycology case presentation, epidemiology	Carole	Vignals	France	Fanny Lanternier
Poster session 2	P307	CLINICAL PROFILE OF FUSARIUM INFECTIONS: CASE SERIES FROM A TERTIARY CARE HOSPITAL	Clinical mycology case presentation, epidemiology	VK	Vineeth	India	VK Vineeth
Poster session 2	P308	JORGE LOBO'S DISEASE IN BRAZIL: A NEW RECOGNIZED RESERVOIR?	Clinical mycology case presentation, epidemiology	Daniel	Wagner	Brazil	Daniel Wagner
Poster session 2	P309	Clonal outbreak of Trichophyton tonsurans causing tinea capitis among wrestlers in Beijing, China	Clinical mycology case presentation, epidemiology	Qiqi	Wang	China	Qiqi Wang
Poster session 2	P311	First reported case of Cladosporium liver abscess in immunocompromised host	Clinical mycology case presentation, epidemiology	Tuang	Wei Xuan	Malaysia	Tuang Wei Xuan
Poster session 2	P313	A Retrospective Analysis of COVID 19 Associated Mucormycosis in A Tertiary Care Center in Northern India	Clinical mycology case presentation, epidemiology	Sukriti	Yadav	India	SUKRITI Yadav

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 2	P314	Atypical Clinical Manifestations and Epidemiology of Favus in Southeast China in the Last 15 Years and a Review of Case Studies	Clinical mycology case presentation, epidemiology	Wang	Yijing	China	Wang Yijing
Poster session 2	P317	Phaeohyphomycosis caused by <i>Phialophora verrucosa</i> in a patient with CARD9 mutations	Clinical mycology case presentation, epidemiology	Lu	Zhang	China	Lu Zhang
Poster session 2	P320	Ten cases of tinea incognito due to <i>Trichophyton rubrum</i> , and literature review on the pathogenic characteristics	Clinical mycology case presentation, epidemiology	Xin	Zhou	Netherlands	Xin Zhou
Poster session 3	P080	Comparison of efficacy of innovator molecule of itraconazole with generic forms of itraconazole in treatment naïve subjects with chronic pulmonary aspergillosis	Antifungals and Antimycotics resistance	Inderpaul	Sehgal	India	Inderpaul Sehgal
Poster session 3	P321	DEVELOPMENT OF A BREATH-BASED DIAGNOSTIC FOR VALLEY FEVER, AN ENDEMIC FUNGAL PNEUMONIA	Basic Mycology	Emily	Higgins Keppler	United States	Emily Higgins Keppler
Poster session 3	P323	Virulence not required? Albumin promotes pathogenicity of (non)-damaging <i>Candida</i> strains	Basic Mycology	Sophia	Hitzler	Germany	Sophia Hitzler
Poster session 3	P324	Phylogenetic and ecological overview of Onygenales	Basic Mycology	Hazal	Kandemir	Netherlands	Hazal Kandemir
Poster session 3	P325	TREND OF CRYPTOCOCCAL MENINGITIS IN PATIENTS ATTENDING A TEACHING HOSPITAL IN NORTH-EAST INDIA- A SINGLE CENTRE STUDY	Basic Mycology	Dr Aindrilla	Acharjee	India	Aindrilla Acharjee
Poster session 3	P326	DNA replication initiator proteins stabilize the kinetochore in the human fungal pathogen <i>Cryptococcus neoformans</i>	Basic Mycology	Rashi	Aggarwal	India	Rashi Aggarwal
Poster session 3	P327	Prevalence of orofacial Mycoses in COVID – 19 Patients: Experience from a tertiary care centre in Northern India	Basic Mycology	Sonu Kumari	Agrawal	India	Sonu Kumari Agrawal
Poster session 3	P328	An overexpression screen identifies <i>Csa25</i> as a novel cellular morphogenesis regulator in the human fungal pathogen <i>Candida albicans</i>	Basic Mycology	Priya	Brahma	India	Priya Brahma
Poster session 3	P329	A Tele of Fungal Burden in Chronic Suppurative Otitis Media (CSOM) Patients of a Tertiary Care Centre of Nepal	Basic Mycology	Ajay Kumar	Chaurasiya	Nepal	Ajay Kumar Chaurasiya
Poster session 3	P330	Role of a D-amino acid oxidase (DAO) in an efficient human commensal <i>Candida albicans</i>	Basic Mycology	Kuladeep	Das	India	Kuladeep Das
Poster session 3	P331	A screen to identify the regulators of genome stability in the human commensal <i>Candida albicans</i>	Basic Mycology	Rohit	Goyal	India	Rohit Goyal
Poster session 3	P332	of a tertiary care hospital.	Basic Mycology	Priyanshu	Kanwar	India	Priyanshu Kanwar
Poster session 3	P333	Candidemia due to <i>Candida pelliculosa</i> in neonates admitted in SNCUs of District Hospitals of Chhattisgarh: First state-wide study from secondary-level health care facilities in Central India	Basic Mycology	Harman Preet	Kaur	India	Harman Preet Kaur
Poster session 3	P334	Fungal infections in patients with COVID 19 in 1-year pandemic 2020-2021 from Cote d'Ivoire.	Basic Mycology	David	Koffi	Cote d'Ivoire	David Koffi
Poster session 3	P335	Genome plasticity in <i>Candida albicans</i> : A cutting-edge strategy for evolution, adaptation, and survival	Basic Mycology	Ifeanyi	Mba	Nigeria	Ifeanyi Mba
Poster session 3	P337	Species distribution and biofilm profile of <i>Candida</i> isolated from clinical specimens at a tertiary care hospital in India	Basic Mycology	Arghadip	Samaddar	India	Arghadip Samaddar
Poster session 3	P338	TITLE – CLINICOPATHOLOGIC ANALYSIS OF COVID 19 ASSOCIATED MUCORMYCOSIS- EXPERIENCE FROM A TERTIARY CARE CENTER IN NORTH INDIA	Basic Mycology	Aruparna	Sengupta	India	Aruparna Sengupta
Poster session 3	P339	A study of environmental risk factors in chronic rhinosinusitis	Basic Mycology	S Krishna	Singha	India	S Krishna Singha
Poster session 3	P340	Detection of Emerging Genotypes in <i>Trichophyton mentagrophytes</i> Complex: A Proposal for Handling Biodiversity in Dermatophytes	Basic Mycology	Chao	Tang	Netherlands	Chao Tang
Poster session 3	P341	Evaluation of anti- <i>Candida</i> activity of Cinnamaldehyde using mice model	Basic Mycology	Gunjan	Uttam	India	Gunjan Uttam
Poster session 3	P342	<i>Lactobacillus rhamnosus</i> protection against <i>Candida</i> -induced vaginal epithelial cell damage is <i>Candida albicans</i> strain-dependent	Basic Mycology	Marisa	Valentine	Germany	Marisa Valentine
Poster session 3	P343	Novel hydrophobic binding surface proteins are instrumental for phagocytosis of <i>Lichtheimia corymbifera</i> by macrophages	Basic Mycology	Jaime David	Acosta España	Germany	Jaime David Acosta España
Poster session 3	P344	Automatic detection of <i>pneumocystis jirovecii</i> in microscope images: A deep Learning-based approach	Basic Mycology	Erick	Reyes Vera	Colombia	Indira Berrio
Poster session 3	P345	The relationship between virulence of <i>Candida albicans</i> and environmental oxygen concentration	Basic Mycology	Masahiro	Abe	Japan	Yoshitsugu Miyazaki
Poster session 3	P346	Pulmonary fungal infection in Sudan, a retrospective study from the Mycology Reference Laboratory	Basic Mycology	Sarah	Ahmed	Netherlands	Shaoqin Zhou
Poster session 3	P348	tRNA modifications in <i>Candida</i> virulence	Basic Mycology	Sascha	Brunke	Germany	Sascha Brunke
Poster session 3	P349	Relationship between genotypes and in vitro pathogenic behavior of Uruguayan strains of <i>Cryptococcus</i> spp.	Basic Mycology	Elisa	Cabeza	Uruguay	Elisa Cabeza
Poster session 3	P350	OROPHARYNGEAL CANDIDIASIS IN HIV INFECTED PATIENTS: ASSOCIATED RISK FACTORS AND ANTIFUNGAL SUSCEPTIBILITY TESTING OF CANDIDA SPECIES BY DISC DIFFUSION METHOD.	Basic Mycology	Pankaj	Chaudhary	Nepal	Pankaj Chaudhary

Hotel The Ashok

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 3	P351	Genetic recombination between the main human skin commensal fungus, <i>Malassezia restricta</i> , and <i>M. globosa</i> using an <i>Agrobacterium tumefaciens</i> -mediated gene transfer system	Basic Mycology	Otomi	Cho	Japan	Otomi Cho
Poster session 3	P352	MOLDS AND YEASTS ON THE BEACH: ENVIRONMENTAL FACTORS INFLUENCING DISTRIBUTION OF FUNGI ALONG EUROPEAN SHORES	Basic Mycology	Massimo	Cogliati	Italy	Massimo Cogliati
Poster session 3	P354	MOLD INFECTIONS IN SOLID ORGAN TRANSPLANT RECIPIENTS IN INDIAN SETTING	Basic Mycology	Niveditha	Enaganthi	India	Niveditha Enaganthi
Poster session 3	P356	An aeromycological study of diagnostic microbiology laboratory at a tertiary care centre.	Basic Mycology	Mansi	Gupta	India	Mansi Gupta
Poster session 3	P357	Update on risk factors for <i>Candida krusei</i> -Fungemia	Basic Mycology	Julia C.	Jansen	Germany	Peter Michael Rath
Poster session 3	P358	<i>Candida auris</i> survival on common medical supply surfaces under different environmental conditions	Basic Mycology	Hossein	Khodadadi	Iran	Hossein Khodadadi
Poster session 3	P361	Demystifying the NIH grant application process for international investigators	Basic Mycology	Dona	Love	United States	Dona Love
Poster session 3	P362	Seasonal trend of fungal flora in water of tertiary care hospital in North India	Basic Mycology	Monika	Mahajan	India	Monika Mahajan
Poster session 3	P363	MYCOFLORA DIVERSITY IN STORED WATER FROM SELECTED HOUSEHOLDS IN NAIROBI	Basic Mycology	Olga	Mashedi	Kenya	Olga Mashedi
Poster session 3	P364	Quantitative monitoring of <i>Aspergillus fumigatus</i> mycelial growth by optical density	Basic Mycology	Ken	Miyazawa	Japan	Ken Miyazawa
Poster session 3	P365	Upsurge of Mucormycosis in COVID-19 – A Retrospective Study In A Tertiary Care Hospital in Punjab	Basic Mycology	Sangeetha	Mohan	India	Sangeetha Mohan
Poster session 3	P366	Role of the Sit1 siderophore transporter in iron uptake, germination, and virulence of <i>Mucor lusitanicus</i>	Basic Mycology	Gábor	Nagy	Hungary	Gábor Nagy
Poster session 3	P367	<i>Candida sepsis</i> in neonates a neglected pathogen: study from neonatal Intensive care unit tertiary care hospital.	Basic Mycology	Kirti	Nirmal	India	Kirti Nirmal
Poster session 3	P369	<i>Aspergillus</i> spp. in coastal environments with different salinity	Basic Mycology	Vanice	Poester	Brazil	Vanice Poester
Poster session 3	P370	Low rate of <i>Sporothrix</i> spp. recovery from storage in mineral oil: A long period study	Basic Mycology	Vanice	Poester	Brazil	Vanice Poester
Poster session 3	P371	The relation of mating type (MAT) preference and source in the opportunistic pathogen <i>Talaromyces marneffeii</i>	Basic Mycology	Sha	Lu	China	Xin Zhou
Poster session 3	P372	Deciphering transcript isoform switching and utilization in mature biofilm of <i>Candida glabrata</i> through a global transcriptomic approach	Basic Mycology	Khem	Raj	India	Khem Raj
Poster session 3	P373	Does biofilm forming capacity of <i>Candida tropicalis</i> vary with echinocandin susceptibility?	Basic Mycology	Ritika	.	India	Ritika
Poster session 3	P374	Fungal coinfection in patients with SARS-CoV-2: a tertiary care hospital study	Basic Mycology	Vikas	Saini	INDIA	Vikas Saini
Poster session 3	P377	Study of the prevalence of candidemia and its antifungal susceptibility pattern in a tertiary care hospital	Basic Mycology	Alisha	Sharma	India	Alisha Sharma
Poster session 3	P378	Insecticidal Potential of Isolated Fungal species in targeting <i>Drosophila melanogaster</i> and <i>Zaprionus indianus</i>	Basic Mycology	Aanchal	Sharma	India	Aanchal Sharma
Poster session 3	P379	Antifungal activity of α defensins 5 like peptide against <i>Cryptococcus neoformans</i> var. <i>grubii</i> and in-silico designing of its peptidomimetics	Basic Mycology	Karuna	Singh	India	Karuna Singh
Poster session 3	P381	Kinetics of Titan cells generation and transcriptome modifications comparing 3 in vitro protocols	Basic Mycology	Aude	Sturny Leclere	France	Aude Sturny Leclere
Poster session 3	P383	"It's not Fungus, its Nocardia"- An Elementary Diagnostic Challenge for Draining sinus on Abdominal wall (Rare) - Case report	Basic Mycology	Richa Anjleen	Tigga	India	Richa Anjleen Tigga
Poster session 3	P384	Characterization of the virulence potential of <i>Aspergillus</i> species of section <i>Terrei</i> in <i>Galleria mellonella</i> infection model	Basic Mycology	Roya	Vahedi Shahandashti	Austria	Roya Vahedi Shahandashti
Poster session 3	P385	<i>Candida auris</i> : A growing threat to global health	Basic Mycology	Sharin	Varma	India	Sharin Varma
Poster session 3	P386	Molecular identification and antifungal susceptibility of fungi causing sinusitis in arid climate region	Basic Mycology	Shaoqin	Zhou	Netherlands	Shaoqin Zhou
Poster session 3	P388	High rate of chronic pulmonary aspergillosis in active TB patients in Indonesia with GeneXpert positive	Clinical and molecular / biomarker diagnostics	Findra	Setianingrum	Indonesia	Findra Setianingrum
Poster session 3	P390	A Lateral Flow Assay for the Immunodiagnosis of Human Cat-Transmitted <i>Sporotrichosis</i>	Clinical and molecular / biomarker diagnostics	Regielly	Cognialli	Brazil	Regielly Cognialli
Poster session 3	P391	Research on molecular diagnostic methods and clinical application of common pathogenic dermatophytes in tinea capitis	Clinical and molecular / biomarker diagnostics	Peiqiu	Zhu	China	Peiqiu Zhu
Poster session 3	P392	Comparative evaluation of Wako β -glucan test and Fungitell assay for the diagnosis of invasive fungal infections	Clinical and molecular / biomarker diagnostics	Sourav	Agnihotri	India	Sourav Agnihotri

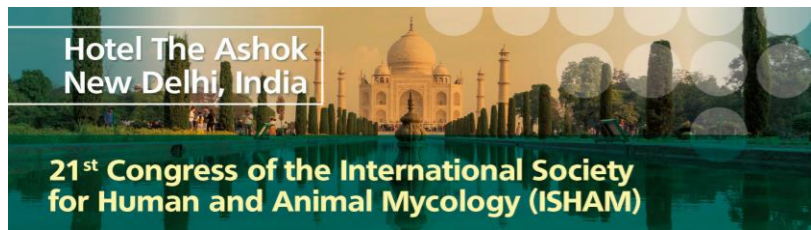

20-24 September 2022

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 3	P393	Clinical spectrum and molecular characterization of Rhytidhysterion spp. (now Gloniopsis) from India	Clinical and molecular / biomarker diagnostics	Haseen	Ahmad	India	Haseen Ahmad
Poster session 3	P394	Evaluation of diagnostic potential of recombinant secretory aspartyl proteinase 2 (Sap2) protein from Candida parapsilosis for use in systemic candidiasis	Clinical and molecular / biomarker diagnostics	Pankaj	Chandley	India	Pankaj Chandley
Poster session 3	P395	Clinical utility of semi-nested conventional PCR for diagnosis of mucormycosis in fresh clinical samples	Clinical and molecular / biomarker diagnostics	Hansraj	Choudhary	India	Hansraj Choudhary
Poster session 3	P396	Utility of nasal swabs as samples for the diagnosis of Mucormycosis using molecular methods for detection	Clinical and molecular / biomarker diagnostics	Souradeep	Chowdhury	India	Souradeep Chowdhury
Poster session 3	P397	Influence of underlying conditions on disease presentation and diagnostic strategy during pulmonary mucormycosis: a national study of 114 cases	Clinical and molecular / biomarker diagnostics	Anne	Coste	France	Anne Coste
Poster session 3	P399	Diagnostic value of Candida colonisation index and serum Candida mannan antigen for candidemia in febrile episodes of pediatric lymphoreticular malignancies	Clinical and molecular / biomarker diagnostics	Suchita	Gautam	India	Suchita Gautam
Poster session 3	P400	A study of the ecology, evolution and resistance mechanism of Candida auris at a tertiary care center in North India.	Clinical and molecular / biomarker diagnostics	Sonakshi	Gupta	India	Sonakshi Gupta
Poster session 3	P401	Identification and characterization of cryptic species of Aspergillus isolated from clinical samples	Clinical and molecular / biomarker diagnostics	Sruti	Janani . R	India	Sruti Janani . R
Poster session 3	P402	Comparison of PCR-RFLP with 21-plex PCR and rDNA Sequencing for Identification of Clinical Yeast Isolates	Clinical and molecular / biomarker diagnostics	Sadegh	Khodavaisy	Iran	Sadegh Khodavaisy
Poster session 3	P403	Metagenomic Sequencing as an Effective Diagnostic Tool for Talaromycosis in HIV-negative Patients: A Retrospective Study	Clinical and molecular / biomarker diagnostics	Tianwei	Liang	China	Tianwei Liang
Poster session 3	P404	Biofilm formation by Cryptococcus species isolated from Cerebrospinal fluid (CSF)	Clinical and molecular / biomarker diagnostics	Priyolakshmi	Ningthoujam	India	Priyolakshmi Ningthoujam
Poster session 3	P405	Diagnostic performance of MucorGenius® real-time polymerase chain reaction assay on tissue samples for the diagnosis of mucormycosis	Clinical and molecular / biomarker diagnostics	Mragnayani	Pandey	India	Mragnayani Pandey
Poster session 3	P406	Rise in HIV negative Cryptococcal infection in Liver disease patient: Epidemiology, risk factor, Antifungal susceptibility Profile from tertiary care hepatobiliary centre	Clinical and molecular / biomarker diagnostics	Dhruvi	Patel	India	Dhruvi Patel
Poster session 3	P407	Standardization of PCR for the diagnosis of invasive aspergillosis and invasive mucormycosis from blood samples	Clinical and molecular / biomarker diagnostics	Satwika	Rompally	India	Satwika Rompally
Poster session 3	P408	Evaluation of fungal serum biomarkers in the diagnosis and for monitoring patients with post tuberculosis chronic pulmonary aspergillosis	Clinical and molecular / biomarker diagnostics	Shreya	Singh	India	Shreya Singh
Poster session 3	P409	Study of epidemiology, risk factors and antifungal sensitivity pattern of fungal pneumonia in critically ill cirrhotics	Clinical and molecular / biomarker diagnostics	Paras	Singh	India	Paras Singh
Poster session 3	P410	Aspergillus fumigatus sensitization among the patients with chronic obstructive pulmonary disease (COPD) - a cross sectional study	Clinical and molecular / biomarker diagnostics	Haritha	Subhagan	India	Haritha Subhagan
Poster session 3	P411	Genus specific real-time PCR- a promising technique for rapid diagnosis of fungal keratitis	Clinical and molecular / biomarker diagnostics	Yamini	Tawde	India	Yamini Tawde
Poster session 3	P412	QuicGM Aspergillus Galactomannan Ag Lateral Flow Assay as a practical Aid to Diagnose Invasive Aspergillosis in High-Risk Hematology patients	Clinical and molecular / biomarker diagnostics	Robina	Aerts	Belgium	Robina Aerts
Poster session 3	P413	Screening and diagnosis of candidaemia in adult haematological malignancies of northern India	Clinical and molecular / biomarker diagnostics	Dr. Gopa	Banerjee	India	Shivangi Tripathi
Poster session 3	P414	Diagnostic allele-specific PCR for the identification of Candida auris clades and common resistance mutations	Clinical and molecular / biomarker diagnostics	Hans	Carolus	Belgium	Hans Carolus
Poster session 3	P415	High positive and rapid detection of clinical urine samples of fungal infection based on modified calcium fluorescence	Clinical and molecular / biomarker diagnostics	Biao	Chen	China	Biao Chen
Poster session 3	P416	Efficient and accurate diagnosis of otomycosis using an ensemble deep learning model	Clinical and molecular / biomarker diagnostics	Mao	Chenggang	China	Wang Juehui
Poster session 3	P417	Evaluation of Matrix-assisted laser desorption ionization time-of-flight mass spectrometry (MALDI-TOF MS)-Bruker Biotyper Sirius for identification of Invasive Molds.	Clinical and molecular / biomarker diagnostics	Mousami	Dalvi	India	Mousami Dalvi
Poster session 3	P418	qPCR is a useful tool for management and surveillance of hospital contacts in the context of a Candida auris infection	Clinical and molecular / biomarker diagnostics	Eric	Dannaoui	France	Eric Dannaoui
Poster session 3	P419	GALACTOMANNAN ENZYME IMMUNOASSAY IN INVASIVE PULMONARY ASPERGILLOSIS: A CROSS SECTIONAL STUDY IN 2021 IN A NEW DELHI	Clinical and molecular / biomarker diagnostics	Sutapa	Das	India	Sutapa Das
Poster session 3	P420	Fungal detection by means of HCR using 2D- Covalent Organic Framework Nanosheet	Clinical and molecular / biomarker diagnostics	Devarshi	Gajjar	India	Devarshi Gajjar
Poster session 3	P421	Whole-transcriptome analysis of Sporothrix brasiliensis grown in mould- and yeast-inducing conditions	Clinical and molecular / biomarker diagnostics	Domenico	Giosa	Italy	Domenico Giosa
Poster session 3	P422	EQUAL PCP Score 2022 – An ECMM score derived from current guidelines to measure QUALity of clinical Pneumocystis Pneumonia management	Clinical and molecular / biomarker diagnostics	Jan	Grothe	Germany	Jan Grothe
Poster session 3	P423	Recombinase polymerase amplification for Mucormycosis	Clinical and molecular / biomarker diagnostics	Vinaykumar	Hallur	India	Vinaykumar Hallur
Poster session 3	P424	Comparative analysis of Galactomannan Lateral Flow Assay, Galactomannan Enzyme Immunoassay and BAL culture for Diagnosis of COVID-19 associated pulmonary aspergillosis	Clinical and molecular / biomarker diagnostics	Mohammad	Hedayati	Iran	Mohammad Hedayati

20-24 September 2022
WWW.ISHAM2022.ORG

Poster Presentations ISHAM 2022

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 3	P425	Approach to identify and isolate C. dubliniensis in laboratory and comparison of various methods for same.	Clinical and molecular / biomarker diagnostics	Abiroo	Jan	India	Abiroo Jan
Poster session 3	P426	Interleukins - A non invasive biomarker for invasive fungal sinusitis	Clinical and molecular / biomarker diagnostics	Hemant Kumar	Kadhirvelu	India	Hemant Kumar Kadhirvelu
Poster session 3	P427	The Value of Nasal and Oral Clinical Examination in Febrile Neutropenic Patients for Initiating Anti-fungal Therapy as a Preemptive Method	Clinical and molecular / biomarker diagnostics	Hasti	Kamali Sarvestani	Iran	Hasti Kamali Sarvestani
Poster session 3	P428	Evaluation of Galactomannan enzyme assay in non-hematological non- neutropenic ICU admitted patients for diagnosis of Invasive Pulmonary Aspergillosis as per EORTC criteria 2019	Clinical and molecular / biomarker diagnostics	Sanchi	Kashyap	India	Sanchi Kashyap
Poster session 3	P430	correlation of microscopy and culture findings with serum ferritin level for the diagnosis of rhino-orbito-cerebral mucormycosis during covid-19 pandemic-a study from tertiary care hospital india	Clinical and molecular / biomarker diagnostics	Jothisri	Lakshmanan	India	Jothisri Laksmahan
Poster session 3	P431	Tip to correct the variation position error in applying long-read high-throughput sequencing technology for fungal identification.	Clinical and molecular / biomarker diagnostics	Nattapong	Langsiri	Thailand	Nattapong Langsiri
Poster session 3	P432	Detection of erg11 gene mutation in fluconazole resistant Candida albicans isolates	Clinical and molecular / biomarker diagnostics	Sheena	M.S.	India	Sheena M.S.
Poster session 3	P433	Identification of Candida species isolated from hospitalized patients with candiduria	Clinical and molecular / biomarker diagnostics	Mojtaba	Nabili	Iran	Mojtaba Nabili
Poster session 3	P434	Anti-fungal susceptibility of Malassezia to azoles by broth microdilution method and their phylogenetic relationship based on multi-locus sequence analysis	Clinical and molecular / biomarker diagnostics	Packia Nancy	Romald	India	Packia Nancy Romald
Poster session 3	P435	Evaluation of remote triazole capillary blood testing to facilitate remote Therapeutic drug monitoring (TDM): a validation study	Clinical and molecular / biomarker diagnostics	Lisa	Nwankwo	United Kingdom	Darius Armstrong-James
Poster session 3	P436	A study to compare detection of Aspergillus galactomannan in patients with clinically suspected invasive Aspergillosis using the Lateral Flow Assay(LFA) in comparison with Enzyme Linked Immunosorbent Assay (ELISA) and identification of new risk factors for Aspergillus Aspergillosis	Clinical and molecular / biomarker diagnostics	Priyadarshini	Padaki	India	Priyadarshini Padaki
Poster session 3	P437	Diagnostic utility of serum beta D glucan test to prescribe antifungal treatment and its effect on patient's outcome: A study from a tertiary care center in Western India	Clinical and molecular / biomarker diagnostics	Kamlesh	Patel	India	Kamlesh Patel
Poster session 3	P438	Epidemiology, Risk Factor Analysis and Management of invasive Candida auris infections in Tertiary Care Hepatobiliary Centre in India	Clinical and molecular / biomarker diagnostics	Niharika	Patel	INDIA	Niharika Patel
Poster session 3	P439	Biomarker detection for the diagnosis of disseminated histoplasmosis in people living with HIV/aids in Southern Brazil: A year of implementation	Clinical and molecular / biomarker diagnostics	Vanice	Poester	Brazil	Vanice Poester
Poster session 3	P440	General protocol applied to the identification and production of new biomarkers with potential use for the diagnosis of histoplasmosis	Clinical and molecular / biomarker diagnostics	Juan David	Puerta Arias	Colombia	Indira Berrio
Poster session 3	P441	Molecular identification, genotyping, and antifungal susceptibility of Trichosporon species isolated from clinical samples of patients at various parts of the Indian subcontinent	Clinical and molecular / biomarker diagnostics	Vijaylatha	Rastogi	India	Vijaylatha Rastogi
Poster session 3	P442	Bacterial and Fungal Infection in COVID 19 diagnosed cases in a tertiary care ICU setting in the wake of second wave in Kolkata, India.	Clinical and molecular / biomarker diagnostics	Soumyadeep	Seal	INDIA	Soumyadeep Seal
Poster session 3	P443	Altered expression of fungal CotH, human glucose-regulated protein 78 (GRP78), and predicted miRNAs in macrophages and model diabetic mice infected with Rhizopus oryzae	Clinical and molecular / biomarker diagnostics	Tahereh	Shokohi	Iran	Zahra Seifi
Poster session 3	P444	DETECTION OF CAUSATIVE AGENTS OF INFECTIOUS KERATITIS IN PATIENTS FROM WESTERN RAJASTHAN	Clinical and molecular / biomarker diagnostics	Twishi	Shrimali	India	Twishi Shrimali
Poster session 3	P445	Clinical evaluation of the performance of the most commonly used eumycetoma diagnostic tests using sequencing of the internally transcribed spacer region as the golden standard	Clinical and molecular / biomarker diagnostics	Emmanuel	Siddig	Sudan	Emmanuel Siddig
Poster session 3	P446	Molecular Detection of fungal agents responsible for COVID-19 associated mycosis directly from tissue specimens.	Clinical and molecular / biomarker diagnostics	Vikramjeet	Singh	India	Vikramjeet Singh
Poster session 3	P447	Galactomannan Lateral Flow Assay for the Diagnosis of Invasive Aspergillosis among Clinically suspected patients in Tertiary care center, Jodhpur, Rajasthan.	Clinical and molecular / biomarker diagnostics	HariPriya	sivakumar	India	Hari Priya
Poster session 3	P449	Semi-quantitative cryptococcal antigen rapid test (CryptoPS, Biosynex®) for cryptococcal meningitis in patients living with HIV in Sub-Saharan Africa: prospective multicenter diagnostic accuracy study (DREAMM)	Clinical and molecular / biomarker diagnostics	Aude	Sturny Leclere	France	Aude Sturny Leclere
Poster session 3	P452	Estimation of the detection limit of extracted candida DNA from spiked EDTA blood sample	Clinical and molecular / biomarker diagnostics	Anitha	Subramanian	India	Anitha Subramanian
Poster session 3	P453	Aspergillus and aspergillosis in patients in an intensive care unit with mechanical ventilation	Clinical and molecular / biomarker diagnostics	Mariana	Trápaga	Brazil	Mariana Trápaga
Poster session 3	P454	Massive parallel fungal sequencing on formalin-fixed tissues: development and contribution in integrated histomolecular diagnosis	Clinical and molecular / biomarker diagnostics	Alexis	Trecourt	France	Jean Menotti
Poster session 3	P455	Identification of Cryptic species of Aspergillus using Betatubulin gene in a tertiary care centre in South India.	Clinical and molecular / biomarker diagnostics	Almas Fathima	Upaisal Karunai	India	Almas Fathima Upaisal Karunai
Poster session 3	P456	DEFUNGI: DIRECT MYCOLOGICAL EXAMINATION OF MICROSCOPIC FUNGI IMAGES.	Clinical and molecular / biomarker diagnostics	María Alejandra	Vanegas Álvarez	Colombia	María Alejandra Vanegas Álvarez
Poster session 3	P457	CLINICAL CORRELATION OF BETA GALACTOMANNAN WITH CULTURE AND PATIENT OUTCOME IN A TERTIARY CARE CENTRE IN SOUTH INDIA	Clinical and molecular / biomarker diagnostics	Vichitra	K	India	Vichitra K
Poster session 3	P458	Comparison of PCR protocols for detecting Histoplasma capsulatum and Coccidioides spp. DNA through a multicenter study	Clinical and molecular / biomarker diagnostics	Dunja	Wilmes	Germany	Dunja Wilmes
Poster session 3	P459	The Aspergillus Lateral Flow Assay for the Diagnosis of Chronic pulmonary aspergillosis	Clinical and molecular / biomarker diagnostics	Zeqi	Zhou	China	Zeqi Zhou

Hotel The Ashok

Session details		Paper details		Submitted by			
Session - Name	Paper Reference	Paper Title	Theme	First Name	Last Name	Country	Presenting Author Names
Poster session 3	P460	The Aspergillus Lateral Flow Assay for the Diagnosis of Invasive Aspergillosis	Clinical and molecular / biomarker diagnostics	Zeqi	Zhou	China	Zeqi Zhou
Poster session 3	P461	Cryptococcosis screening and isolates characterization in asymptomatic people living with HIV in Kinshasa, DRC	Clinical and molecular / biomarker diagnostics	Bive	Zono	Congo (the Democratic R	Bive Zono
Poster session 3	P462	SPREAD OF Sporothrix brasiliensis FROM THE SNEEZE OF INFECTED CATS: A POTENTIAL NOVEL ROUTE OF TRANSMISSION	Veterinary fungal diseases	Fernanda	Bastos	Brazil	Fernanda Bastos
Poster session 3	P463	Toxicological evaluation of Aureobasidium pullulans var. pullulans induced mycotoxicosis in murine model	Veterinary fungal diseases	Ankita	Kumari	India	Ankita Kumari
Poster session 3	P464	Feline sporotrichosis: an emerging disease in the Brazilian side of the Southern Triple Border	Veterinary fungal diseases	Carolina	Prado	Brazil	Flávio Queiroz-Telles
Poster session 3	P465	Aspergillosis in free-ranging Magellanic penguins	Veterinary fungal diseases	Mariana	Trápaga	Brazil	Mariana Trápaga
Poster session 3	P466	Isolation of Cryptococcus neoformans and other yeast from pigeon droppings in Khartoum state,Sudan	Veterinary fungal diseases	Wisal	Abdalla	Sudan	Wisal Abdalla
Poster session 3	P467	Aspergillosis in Humboldt penguins – susceptibility patterns of clinical and environmental isolates from a Belgian zoo, 2018-2022	Veterinary fungal diseases	Hanne	Debergh	Belgium	Hanne Debergh
Poster session 3	P468	Aspergillosis in a colony of Humboldt penguins (Spheniscus humboldti) under managed care: a clinical and environmental investigation in a French zoological park	Veterinary fungal diseases	Guillaume	Desoubeaux	France	Guillaume Desoubeaux
Poster session 3	P469	Feline aspergillosis caused by Aspergillus candidus: a case report	Veterinary fungal diseases	Norma B.	Fernandez	Argentina	Norma B. Fernandez
Poster session 3	P470	Determination of the virulence potential of yeast fungi isolated from cattle milk.	Veterinary fungal diseases	Marina	Manoyan	Russian Federation	Marina Manoyan
Poster session 3	P471	Feline sporotrichosis outcome and its impact in public health in Southern Brazil	Veterinary fungal diseases	Vanice	Poester	Brazil	Vanice Poester
Poster session 3	P492	Invasive Fungal Infection during Covid Era at Tertiary Care Hospital	Basic Mycology	Kumari	Seema	India	Kumari Seema
Poster session 3	P493	Functional genomics in Candida glabrata, new tools to study stress, pathogenesis and drug resistance	Basic Mycology	Jane	Usher	United Kingdom	Jane Usher
Poster session 3	P494	COMPARISON OF CANDIDA COLONIZATION IN INTENSIVE CARE UNIT PATIENTS WITH AND WITHOUT COVID-19: FIRST PROSPECTIVE COHORT STUDY FROM TURKEY	Basic Mycology	İlvana	Çaklovica Küçükkaya	Turkey	İlvana Çaklovica Küçükkaya
Poster session 3	P496	EFFECT OF FLUCONAZOLE PROPHYLAXIS IN PREVENTION OF LOCAL FUNGAL INFECTIONS IN PATIENTS OF HEAD AND NECK CANCERS RECEIVING CHEMO-RADIOTHERAPY	Clinical and molecular / biomarker diagnostics	Shashwat	Lohia	India	Shashwat Lohia
Poster session 3	P497	Candida DNA extraction from Positive blood culture bottles	Clinical and molecular / biomarker diagnostics	Uthra	Balakumar	INDIA	Uthra Balakumar
Poster session 3	P498	Pneumocystis Jiroveci pneumonia: clinical profile and diagnostic modalities.	Clinical and molecular / biomarker diagnostics	Bansidhar	Tarai	India	Bansidhar Tarai
Poster session 3	P499	A cross-sectional observational study to assess the role of Bronchoalveolar lavage fluid galactomannan in the diagnosis of invasive pulmonary aspergillosis in non-neutropenic patients	Clinical and molecular / biomarker diagnostics	Gowtham Reddy	Nomula	India	Gowtham Reddy Nomula
Poster session 3	P500	Validation panel for MALDI-TOF identification of fungi	Clinical and molecular / biomarker diagnostics	Hanne	Debergh	Belgium	Hanne Debergh
Poster session 3	P501	Aspergillus fumigatus complicates one third of the patients with suspected bronchial asthma or pulmonary tuberculosis: clinical validation of indigenously developed diagnostic kits	Clinical and molecular / biomarker diagnostics	Taruna	Madan	India	Taruna Madan
Poster session 3	P502	Mycology Lab of the Future - Slants to Sequencing	Clinical and molecular / biomarker diagnostics	Sheerin	Shalam	India	Sheerin Shalam
Poster session 3	P503	Molecular Epidemiology of Trichophyton mediated infections among canines from Northern India	Veterinary fungal diseases	Abhishek	Abhishek	India	Abhishek Abhishek
Poster session 3	P504	Screening of Belgian bats and hibernacula for the description of related fungal microbiomes and the detection of Pseudogymnoascus destructans	Veterinary fungal diseases	Hanne	Debergh	Belgium	Hanne Debergh
Poster session 3	P505	Genotyping of Trichophyton mentagrophytes infections in animals in Italy through sequencing of the ITS region	Veterinary fungal diseases	Andrea	Peano	Italy	Andrea Peano
Poster session 3	P506	First case of cutaneous mycosis caused by Nannizziopsis sp. in Chelonia	Veterinary fungal diseases	Giorgia	Matteucci	Italy	Giorgia Matteucci
Poster session 3	P507	Multi-center evaluation of Aspergillus Lateral-Flow Test diagnosing invasive pulmonary aspergillosis from India	N/A	Shreya	Singh	India	Shreya Singh
Poster session 3	P508	Adjunctive nebulized amphotericin B for pulmonary mucormycosis: results of an open-label randomized controlled trial	N/A	Valliappan	Muthu	India	Valliappan Muthu
Poster session 2	P509	Aspergillus presenting as a lung mass lesion ca rare presentation	N/A	Jaskirat	Singh	India	Jaskirat Singh
